Someone suggests your baby should eat in the bathroom	Trying to nurse in a smelly bathroom stall	Fast let-down squirts milk all over the place	Old dude reminds you this is a family establishment	Spit up all over your cashmere sweater
Sanctimommy shames you for nursing in public	Some weirdo tells you this should be "private"	Nursing bra malfunction results in flashing everyone	Your other children go feral while you're busy nursing	Someone posts about you on Reddit
Knowing look of solidarity from fellow mom	Resorting to breastfeeding in your sweltering car	Free Space	Stranger pats your baby's head, sees your boob, freezes	Dirty look from your waiter
Muffled swearing when your kid bites your nipple	Creepy guy checking you out	Overheated baby under stifling nursing cover	Someone takes your picture and shames you online	Mom drags her curious teenager away
Manager asks you to leave	Epic diaper blowout from hell while feeding	Elderly woman suggests your baby may need a sweater	Curious kid asking what you're doing	A reminder that NIP is fine as long as you cover up
