Elderly woman suggests your baby may need a sweater	Mom drags her curious teenager away	A reminder that NIP is fine as long as you cover up	Nursing bra malfunction results in flashing everyone	Epic diaper blowout from hell while feeding
Someone posts about you on Reddit	Creepy guy checking you out	Sanctimommy shames you for nursing in public	Dirty look from your waiter	Old dude reminds you this is a family establishment
Curious kid asking what you're doing	Muffled swearing when your kid bites your nipple	Free Space	Spit up all over your cashmere sweater	Someone suggests your baby should eat in the bathroom
Knowing look of solidarity from fellow mom	Trying to nurse in a smelly bathroom stall	Fast let-down squirts milk all over the place	Some weirdo tells you this should be "private"	Your other children go feral while you're busy nursing
Resorting to breastfeeding in your sweltering car	Stranger pats your baby's head, sees your boob, freezes	Manager asks you to leave	Overheated baby under stifling nursing cover	Someone takes your picture and shames you online
